

Victoria Squadron  
Commander's Report

Well a New Year is here and we are off and running again. We have 47 students in Boating and 10 in the two Weather classes.

All 32 people that wrote the Boating class test in December passed – average mark 91%

VHF had 21 write and pass and 1 no write.

Piloting had 3 take the course and write. Marks were 95%, 96% and 99%. Janet Fraser is an excellent instructor.

We are still in the planning stages of our 50 anniversary party.

Thank You
