

P/D/C's Report to VISD Council Meeting January 27 2008

Nominating Committee Report:

To date I have contacted all of the VISD Bridge Members and extend District's thanks to those who are completing another term in your respective roles. While the majority of officers are staying on, the positions of Executive Officer and Admin Officer are not yet filled. I have relayed the thanks of the District to those who have declined another term, and acknowledge and thank them again now.

Historian, Ralph Hodd  
Asst MAREP, Dawna Burton  
CCG Liaison, P/D/C Ken Clarke  
Membership/Privacy, Sooke Cdr Barry Gifford

In their place, we have some new members coming on board:

Historian being accepted by Mady Gilbertson (VICLA);  
Asst MAREP Officer, John Maycock (SP);  
CCG Liaison Kathryn McDougal (SP);  
Membership/Privacy Officer, Tony Kluge (SP);  
ADTO, Ron Harris (BB)

Roster Editor Report:

To date I have sent out the 2008 Production Schedule to the Sqn Cdr's and SMO's. I have also asked for a quote from IslandBlue Printing.

Last year we agreed to have the Roster Disclaimer form in the Roster for 1 year, while having it for downloading on the VISD Web site all the time. If that is still agreeable with Council, I will delete it from the 2008 Roster. I would however like to remind the Sqn Commanders to have their SMO's offer this option to the new members coming from the Boating Classes.

Notices of Motion for National Feb 2008 GB Meeting – I have no questions and support all of them.

Respectfully submitted,

P/D/C Shirley Hamilton, SN
