

D/Cs REPORT AS VISD LIAISON OFFICER TO USPS DISTRICT 16 SPRING
CONFERENCE – March 14 & 15. 2008
La Conner WA

March 30, 2008

As your representative I attended the USPS District 16 AGM & Change of Watch in La Conner Washington.

It was really great to renew old acquaintances and also to make new friends.

The Friday night equivalent of our Meet & Greet was well attended and enjoyable, however, the AGM was extremely long because of the many reports and many awards which extended to being given for things such as bringing a new member into a squadron of the District.

From the old acquaintances a number of people promised to attend our Rendezvous again this year and a new group promised to increase last year's numbers this August.

I appreciated the opportunity given me to attend and observe how another District in another country arranges events, however, my experience made me realize that we all can be proud of VISD and also proud to be members of Canadian Power & Sail Squadrons.

Respectfully Submitted
Bev Gerry
